

How the Code helps you

Why Choose a Resolution member?

Resolution members follow a Code of Practice that promotes a constructive approach to family issues and considers the need of the whole family, in particular the best interests of children.

This means:

- Listening to you, being honest with you and treating you with respect.
- Explaining all the options and giving you confidence to make the right decisions.
- Helping you focus on what's important in the long-term.
- Helping you balance financial and emotional costs with what you want to achieve.
- Managing stress in what can easily be an already stressful situation.
